WHO WE ARE

Founded in 2007, the IEHLC proudly represents Riverside and San Bernardino Counties. The IEHLC is a regional, non-partisan, non-profit 501(c)3 organization working to improve the quality of life in the Inland Empire Region.

Legislative Internship Scholarships have been distributed to selected intern candidates who attend colleges or universities which provide internship programs. They are encouraged to attend IEHLC board meetings to gain first-hand experience with dynamics and decisions made in the board room as well as to contribute to their knowledge of the civic leadership process. We are working to expand the scope of educational scholarships to include students enrolled in local junior colleges and senior high school students

Receptions are hosted for civic leaders advocating and advancing the quality of life in the Inland Empire. A reception for Dr. Tomas Morales, President of CSUSB, was held in 2015, recognizing his appointment as Chair of the organization, Hispanic Association of Colleges and Universities (HACU). HACU advocates for Hispanic serving institutions in the educational area.

An annual awards and dinner gala is hosted to acknowledge notable leaders who model civic engagement that create opportunities for the advancement of citizens of the Inland Empire. The annual gala serves as the primary fundraising event for the Council. We are proud to have Cardenas Markets as the key sponsor and exclusive host of the event for the past 6 years.
